

## January

### Welcome to the New Look Chronicle & Website for 2009!

**M**erry meet, Happy New Year and welcome to 2009! As the more observant of you will have already noticed we have a new "Medieval" look to our Chronicle which mirrors the new look website for 2009! I must say I love it and am constantly surprised that Andrew (my partner and web designer) manages each year to exceed himself in the beauty and creativity of his designs. The new look website has all the old favourites, contacts page, channellings which are free to download, spell book etc plus a new guidance for the day option in the Bestiary! Here you can click to receive a "random" mythological beast who brings you guidance and direction for your day or in answer to the question you hold in your head! Give it a try, you'll be amazed what the Beasts have to say!

### A Christmas Thank You!

**A** special thank you to all those very, very kind people who sent cards and presents this Christmas, you know who you are. The Courtenay chocolate Mountain has now been suitably replenished I'm glad to say and I've already ordered six new pairs of extra large trousers which should see me

comfortably through the year. Yummy yummy in my tummy thank you very much!

### Wesak

**A**nd finally I've left the most exciting till last ...Wesak!

This year Rosemary Stephenson and I have decided to present a Wesak Celebration in Leeds on the 9th of May! As many of you may know this is a powerful celebratory festival in the Light workers' Calendar which serves to link us with the cosmic centre of spiritual force from which all created beings have come. This blessing is poured forth from Lord Buddha to the Christ who, as the representative of humanity, receives it in trust, for distribution to mankind, the Buddha then returning once a year to bless the world, transmitting renewed spiritual life, through The Christ and mankind. This then is an opportunity to not only renew your spiritual path and power but also to open yourself to the powerful upgrades of energy that will be abundantly transmitted at this time and take all these blessings out into the greater world. Further details concerning the content of the day will be revealed in time but needless to say this will be a very special event which will feature meditations, live channelling, sacred sound and chanting all culminating in a very powerful

interactive Wesak Ritual! To book a place and find out more email [rosiesteph@btinternet.com](mailto:rosiesteph@btinternet.com)

### Fancy A Reading?

Do be warned however my waiting lists are very long at the moment! If however you need something a little sooner then you might want to book an absent Soul Path Reading or Channelling via the online shop [www.ipssissimus.co.uk](http://www.ipssissimus.co.uk) You can also book Numerology Charts and Auragraphs from here too as well as Single Questions, should you need guidance on specific issues. If you live in or around Cumbria or are happy to travel here then you can register your interest in a reading with Andrew [shop@ipssissimus.co.uk](mailto:shop@ipssissimus.co.uk) and he will let you know when Cumbria Readings become available in the online shop, these readings take place in Precious Cargo, a spiritual shop, in Brampton.

## Films of the Month

The Day The Earth Stood Still is a sc-fi remake of a great classic film from the 1950's, the remake features state of the art special effects and details the arrival of an alien ambassador from space who has come to save the planet! Needless to say things aren't quite as straight forwards as all

that! For me the most wonderful part of the movie was where John Cleese, who plays a physicist, explains to the Alien why mankind should be left to handle the problem of the Earth's demise themselves. Thought provoking and inspirational is all that I will say! Go watch it and see for yourself!
